Registration Type Screen

You navigate to this screen by selecting the Register Today! link/button on the Login screen.

Stewardship Registration Screen

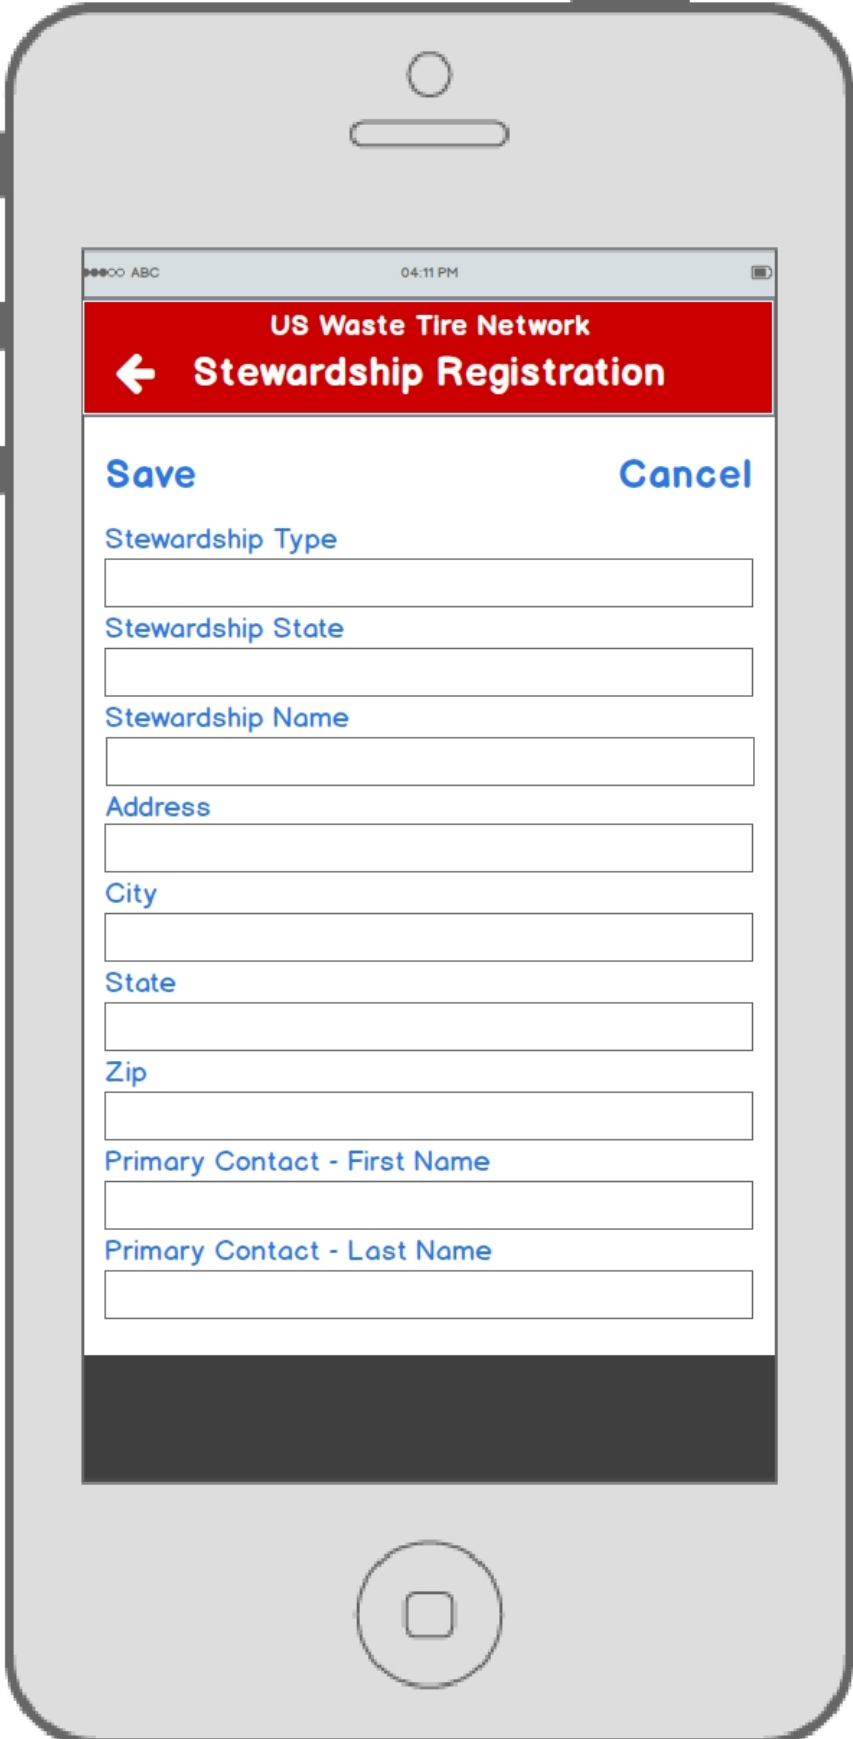

You navigate to this screen by selecting the Stewardship button on the Registration Type screen

The back arrow returns you to the Registration Type screen.

Note: Not all the fields fit on the wire frame. Need to add the following:

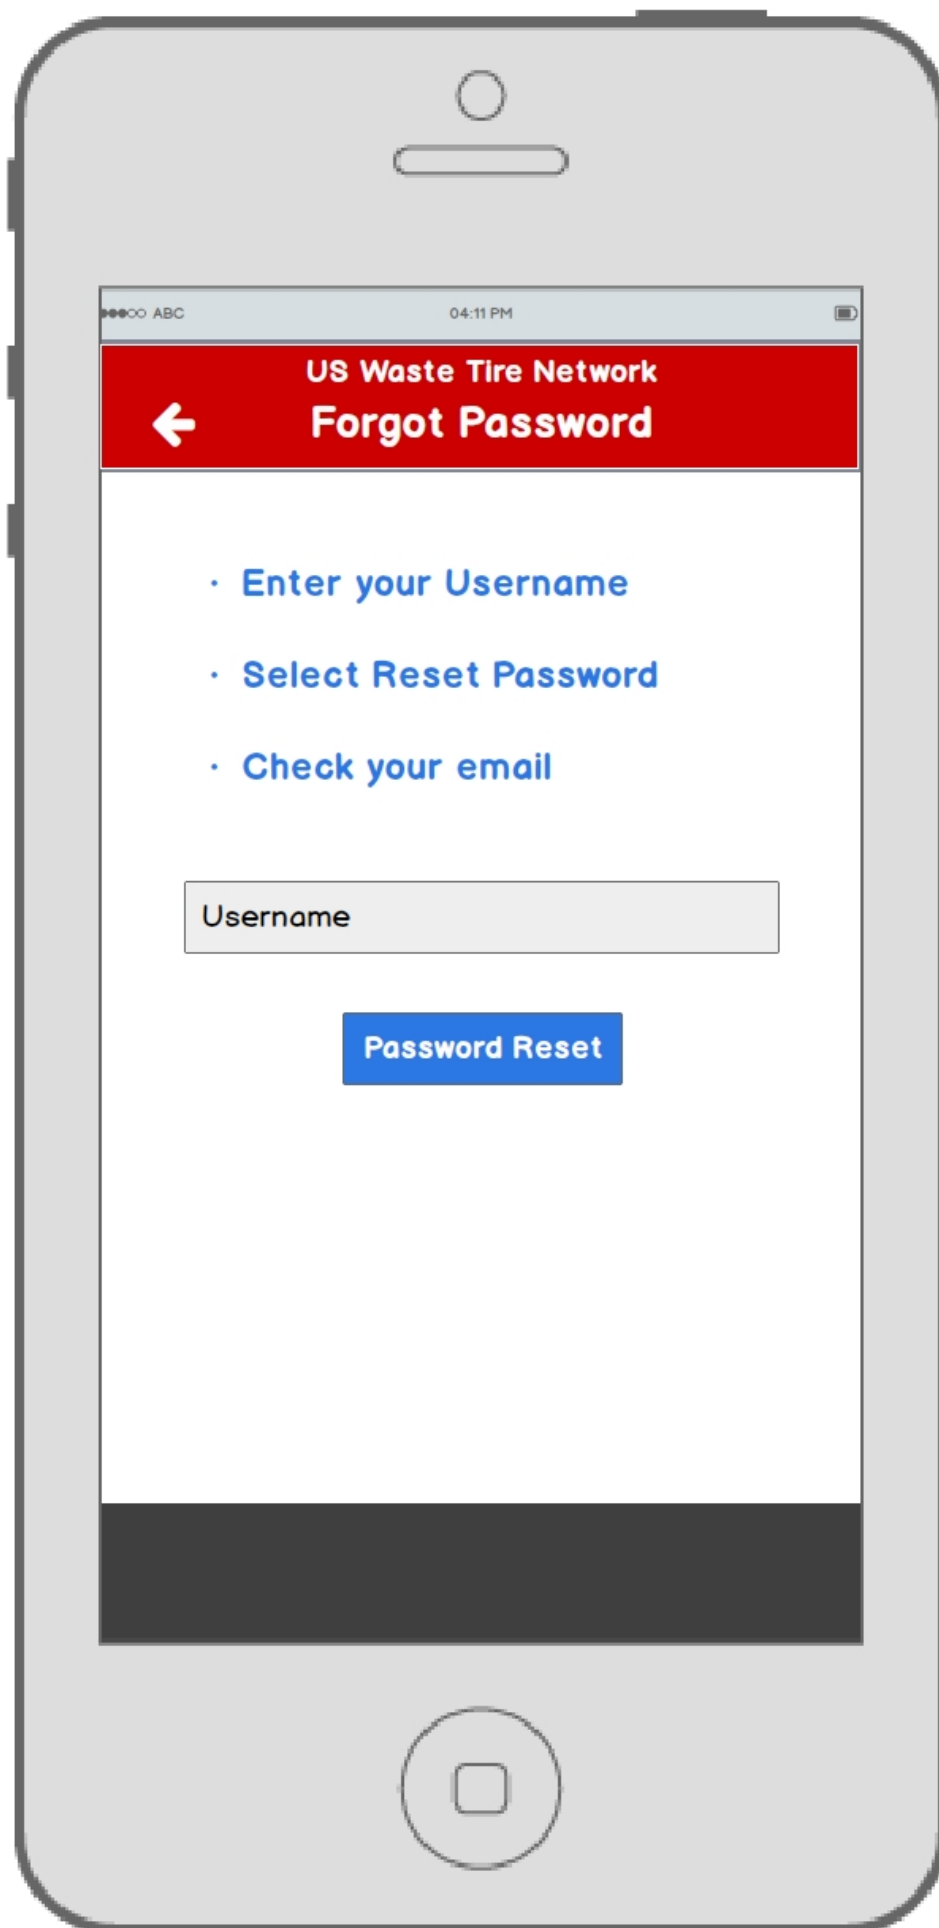

Primary Contact
Title
Phone
Email

The default role for the Primary Contact is Stewardship Admin

A mockup of a mobile application screen for Stewardship Registration. The screen is displayed within a grey smartphone frame. At the top, a red header bar contains a white back arrow and the text "US Waste Tire Network" and "Stewardship Registration". Below the header, there are two blue buttons: "Save" on the left and "Cancel" on the right. The main content area consists of several text input fields, each preceded by a blue label: "Stewardship Type", "Stewardship State", "Stewardship Name", "Address", "City", "State", "Zip", "Primary Contact - First Name", and "Primary Contact - Last Name". A dark grey rectangular area is visible at the bottom of the screen, below the input fields.

Forgot Password Screen

You navigate to this screen by selecting the Forgot Password? link on the Login screen.

Selecting the Forgot Password? link moves the Login screen to the left and the Forgot Password screen comes in from the right side.

Generator Add Admin Screen

You navigate to this screen by selecting the Add Admin icon/button on the Generator Admin List View screen.

The back arrow returns you to the Generator Admin List View screen.

The Generator field is read-only.

The image shows a mobile application interface for adding a new admin. The screen is titled "US Waste Tire Network" and "Add Admin". It features a red header bar with a back arrow on the left and a menu icon on the right. Below the header, there are two buttons: "Save" and "Cancel". The form contains four input fields: "Generator", "First Name", "Last Name", and "Email Address". The "Generator" field is read-only. At the bottom of the form, there is a message: "New Admin will receive an email with login instructions". A dark grey bar at the very bottom contains a gear icon.

Hauler Add Admin Screen

You navigate to this screen by selecting the Add Admin icon/button on the Hauler Admin List View screen.

The back arrow returns you to the Hauler Admin List View screen.

The Hauler field is read-only.

The image shows a mobile application screen for adding a new admin. The screen is framed by a grey border representing the phone. At the top, there is a status bar with 'ABC' and '04:11 PM'. Below this is a red header bar with a white back arrow on the left, the text 'US Waste Tire Network' and 'Add Admin' in the center, and a white hamburger menu icon on the right. The main content area is white and contains two blue buttons at the top: 'Save' on the left and 'Cancel' on the right. Below these are four form fields, each with a blue label and a white input box: 'Hauler', 'First Name', 'Last Name', and 'Email Address'. At the bottom of the white area, there is a blue text message: 'New Admin will receive an email with login instructions'. The bottom of the screen features a dark grey bar with a white gear icon on the right and a large circular home button in the center.

Stewardship Dashboard Screen

You navigate to this screen by logging in as as Stewardship Admin or Stewardship User.

Clicking on the Haulers Pending Approval link navigates to the Hauler (company) search screen.

Clicking on the Haulers Suspended link navigates to the Hauler (company) search screen.

Add User Screen

You navigate to this screen by selecting the Person+ icon on the User List View screen control bar.

The Role is a dropdown with Admin or User.

The Back icon navigates back to the User List View screen.

The image shows a mobile application interface for adding a new user. The screen is displayed within a grey smartphone frame. At the top, a status bar shows signal strength, 'ABC', the time '04:11 PM', and battery level. Below this is a red header bar with the text 'US Waste Tire Network' and 'Add User'. A white back arrow is on the left, and a white menu icon (three horizontal lines) is on the right. The main content area is white and contains two blue buttons: 'Save' on the left and 'Cancel' on the right. Below these are four input fields, each with a blue label: 'First Name', 'Last Name', 'Role', and 'Email Address'. The 'Role' field is a dropdown menu. At the bottom of the main content area, there is a blue text message: 'New User will receive an email with login instructions'. A dark grey footer bar at the very bottom contains a white gear icon (settings) on the right side. The smartphone frame includes a home button at the bottom and a camera/call sensor at the top.

Users Edit Screen

You navigate to this screen by selecting a user on the User List View screen.

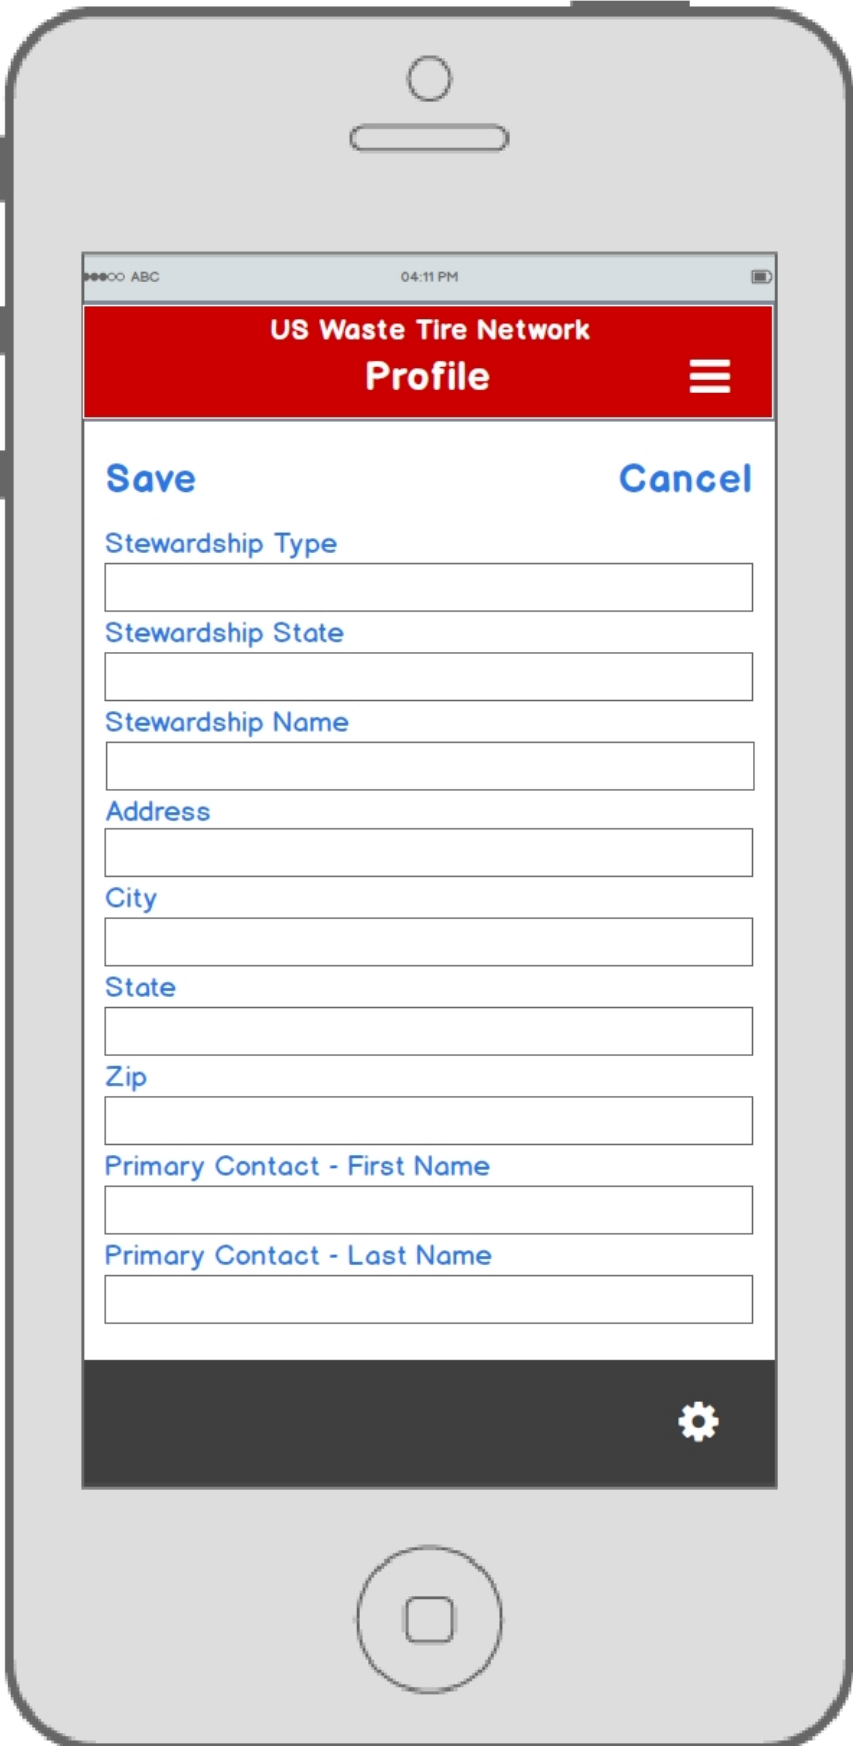

The Role is a dropdown with Admin or User.

The Back icon navigates back to the User List View screen.

The image shows a mobile application interface for editing a user. The screen is displayed on a grey smartphone frame. At the top, a red header bar contains a white back arrow on the left, the text "US Waste Tire Network" and "Edit User" in the center, and a white hamburger menu icon on the right. Below the header, the word "Save" is in blue text on the left and "Cancel" is in blue text on the right. The main content area contains five form fields, each with a blue label above it: "First Name", "Last Name", "Email Address", "Role", and "Status". Each label is followed by a white rectangular input field. At the bottom of the screen, there is a dark grey bar with a white magnifying glass icon on the left and a white gear icon on the right. The smartphone frame also shows a status bar at the very top with "ABC" and "04:11 PM", and a home button at the bottom.

Stewardship Profile Edit Screen

You navigate to this screen by selecting the Profile menu option.

The wireframe shows a mobile app screen for editing a Stewardship Profile. At the top is a red header bar with the text "US Waste Tire Network" and "Profile" in white, and a white hamburger menu icon on the right. Below the header are two blue buttons: "Save" on the left and "Cancel" on the right. The form contains several input fields with blue labels: "Stewardship Type", "Stewardship State", "Stewardship Name", "Address", "City", "State", "Zip", "Primary Contact - First Name", and "Primary Contact - Last Name". At the bottom right of the form area is a white gear icon on a dark gray background. The entire form is set against a light gray background that resembles a smartphone frame.

Note: Not all the fields fit on the wireframe. Need to add the following:

Primary Contact
Title
Phone
Email

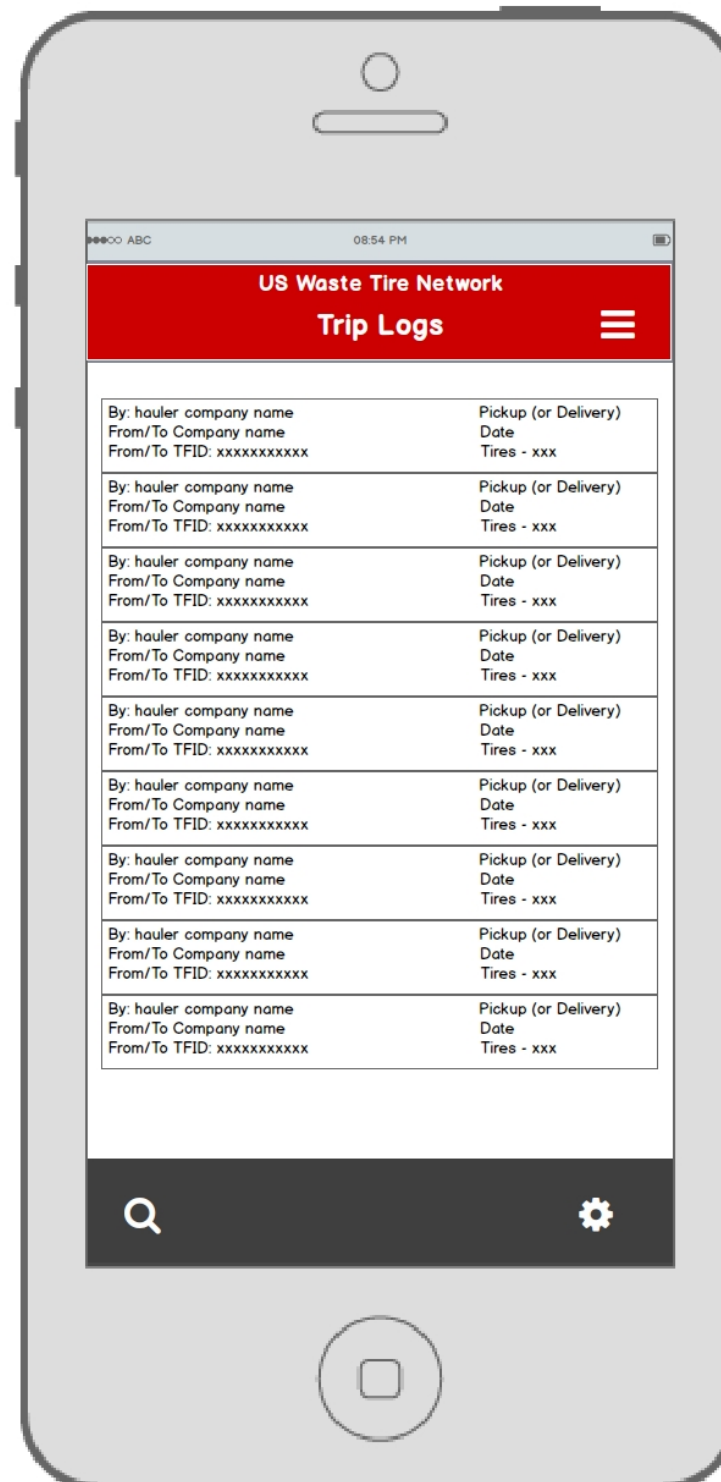

NOTE: Saving a new primary contact does NOT create the new primary contact as a new Admin. Only the Stewardship Registration screen has that functionality.
